II. III. We present, as a Grievance, the Parish of St. Mark, in our District, being so extensive, that the numerous Inhabitants are deprived of hearing the Comfort of the preaching of the Gospel and Divine Service; the remote Situation of some of the Inhabitants being One Hundred and Forty Miles distant, and consequently subject to many Evils too notorious to be overlooked in a Christian Part of the World: We hope the Legislature will interpose, and give such Relief as to them may seem meet.

IV. We present, as a Grievance, the Patrole-Act not being put in Force, whereby many Villainies and Robberies are committed, which otherwise, in a great Measure, might be prevented.

V. We present John Egan, Esq; a Magistrate of Craven County, for not prosecuting Persons according to the Directions of an Act of Assembly against Deer Hunting by Fire; upon the Information of Robert Carter.

II. We present the Commissioners of the Roads in the Parish of Prince-George, for suffering Lynch's Causeway to remain without Repair for several Years past, whereby it is become impassable for a great Part of the Year.

III. We present the same Commissioners, upon the Information of Joseph Henning, for not laying out a Road on the South Side of Sampit Creek; the Inhabitants there, who are sufficiently numerous to make and maintain a Public Road, having none to Church.

IV. We present, as a Grievance, that Numbers of Vagrants are permitted to pass freely through the interior Parts of the Province, to whom we ascribe the frequent Robberies committed of late Years.

V. We present, as a Grievance, that there is no Provision made for the Witnesses in Criminal Causes, who attend on Behalf of the Crown, which induces many People, especially in the remote Parts, to submit to the felonious Practices of the idle and profligate Part of the Community, rather than be at the Trouble and Expence of attending to prosecute them.

III. We present, as a Grievance, the Want of a proper Vagrant-Law, the Inconveniency of which is much more felt in this District than in any other in the Province.

IV. We present, as a Grievance, that by the late Circuit Court Law, all Writs and Summonses are issuable from, and returnable only to, Charles-Town, and that, in Civil Cases, all Trials for Transient Persons are only to be determined in Charles-Town, which renders the Property of Plaintiffs in this remote Part of the Province, as precarious as before that Law was passed.

IT IS ORDERED,

By the Court,

JOHN COLCOCK, D. C. C. & P.

THE PRESENTMENTS of the GRAND JURY, for this District of this Province, at a Court of General Sessions of the Peace, Oyer and Terminer, and General Goal Delivery, begun and holden at Beaufort, on the 30th Day of November, 1772.

I. WE present, as a Grievance, the Deficiency of the High-Road Act.

II. We present, as a Grievance, the Deficiency of the Militia Act.

III. We present, as a Grievance, the Want of a Public Road from Fort Moore into the Saltcatcher Road, on the South Side of the said Saltcatcher River.

IV. We present, as a Grievance, that there is no Place of Confinement for Fugitive Slaves in this District, and that the Goaler of this District will not take into Confinement any such Slaves when brought to him; and that, for Want of such a Place, many Slaves are suffered to keep out and do much Mischief to the great Injury of their Owners and others, as the Distance to Charles-Town Work-House is so great, that, when they are taken, People rather chuse to let them go away than be at the Trouble of delivering them at so great a Distance.

V. We present, as a Grievance, that the Cellar under Beaufort Goal is a great Part of the Year rendered useless, for Want of a Drain to convey the great Quantity of Water in it away.

VI. We present, as a Grievance of the first Magnitude, that neither the Laws of this Province, nor the Statutes of Great-Britain, now in Force, are as yet printed or published in such Manner as to be procured; by which Means not only Persons whose Duty and Station is to explain and expound the Laws must frequently meet with many Inconveniences and great Difficulties in the Execution of their Offices; but, ultimately, the general Defect must fall on the People themselves, particularly those whose Places of Abode are at the greatest Distance from the Metropolis.

VII. We present Adrian Mayer, a Magistrate for this District, for the Denial of Justice; by Information of Daniel Heyward, senior.

VIII. We present, as a Grievance, that no Person is authorized to adjust the Weight of Bread in this Town.

And, lastly, we desire that these our Presentments may be made public.

BOSTON, NOVEMBER 2.

Last Friday afternoon, a large barn belonging to Mr. James White, of Dedham, in which was a quantity of corn and hay, was set on fire by lightning, and entirely consumed: Mr. White and wife, were struck, but not much hurt.

The Fox, Norman, from Casco-Bay, with masts for the dock yard, is arrived at Plymouth, after a fine Passage.

NOVEMBER 9. His Excellency the Governor has been pleased to issue the following proclamation, viz. "AS we are now approaching to the close of another year, in which it has pleased God to favour the people of this province with many great and signal mercies, which require their devout and religious acknowledgement; I have thought fit to appoint, and I do, with the advice of his Majesty's Council, appoint Thursday the 31st day of December next, to be a day of Public Thanksgiving throughout the province. Recommending to Ministers and people of every denomination of Christians in their respective Assemblies for religious worship, to offer up solemn Praises and Thanksgiving to Almighty God for preserving the life and health of our Sovereign Lord the King, and of so many of the branches of his Royal family; for continuing peace throughout his Majesty's dominions; for granting to the people of this province a plentiful supply of most kinds of the fruits of the earth; for protecting and prospering their trade, navigation, and fishery; for granting to as good a measure of health as they have generally enjoyed; [illegible]

public and private [illegible] ingratitude, have been continued to them, or in the courſe of the year conferred upon them, and all ſervile labour is forbidden on the ſaid day. *God ſave, &c.*

NEW-YORK, NOVEMBER 5.

We hear from England, that the ingenious Mrs. Wright, whoſe ſurpriſing imitations of nature, in wax work, have been ſo much admired in America, by a diligent application and improvement in the ſame employment, has recommended herſelf to the general notice and encouragement of perſons of the firſt diſtinction in England, who have honoured her with peculiar [illegible] of their favour; and as ſeveral eminent perſonages, and [illegible] Majeſty himſelf, have condeſcended to ſit ſeveral times [illegible] take their likeneſſes, it is probable ſhe will enrich her [illegible]ion, and oblige her friends in America, with a view of the [illegible]markable perſons of the preſent age, among which will [illegible] immortal, inimitable Garrick, whom ſhe had begun; [illegible] already compleated, and ſent over to her houſe in this [illegible]ere they may be ſeen, the moſt ſtriking likeneſs of the celebrated Dr. Benjamin Franklin, of Philadelphia, now in London, and of Mrs. Catherine M'Caulay, ſo much admired for her great learning, fine writing, and amiable character.

NOVEMBER 16. Captain Offat, in 25 days from Penſacola, informs us, That the inhabitants and garriſon of that place, were in general very healthy; that Captain Chadwick of the 16th regiment now in garriſon there, was lately married to Miſs Cheſter, the Governor's daughter, and was gone to England.

PHILADELPHIA, NOVEMBER 11.

Captain Harris, from Georgia, informs us, that the late bad weather obliged him to put into Ocracock, in North-Carolina, from whence he ſailed the 28th of laſt month, in company with three ſloops, one of which, Captain Harlow, for this place; one for Bolton, and the other for Rhode-Iſland, names unknown.

On Saturday laſt Kayaſhuta, the great Seneca Chief, returned to this city from Johnſon-Hall, where he has been on a viſit to Sir William Johnſon, of the greateſt importance to the colonies. The entertainment he received, when laſt here, at ſeeing a few electrical experiments, has ſo much engaged his attention and admiration, that, we are informed, his firſt enquiry at his return was, whether he could have another opportunity of ſeeing thunder and lightning produced by human art? And we hear, he is determined to attend Mr. Kinnerſley's lectures at the college, on Thurſday and Friday evenings next.

NOVEMBER 18. The Carysfort man of war is arrived at Penſacola, with the loſs of her foremaſt, mainmaſt, nine guns, a lieutenant, boats, &c. in a gale of wind the beginning of September.

Lieutenant Hutchings, who is employed as Engineer on the coaſt of Florida, relieved 22 men on a deſolate iſland, about 120 miles to the weſtward of Penſacola, where they had been ſhipwrecked 28 days, and were in the greateſt diſtreſs, being at an allowance of half a pint of water per day.——We do not hear who they were.

CHARLES-TOWN, DECEMBER 15.

THIS Day begins the General Election of new Members to ſerve in the Honourable the Commons Houſe of Aſſembly of this Province, which are to meet at the State-Houſe in this Town, on Friday the Firſt of January next.

The Honourable Chief Juſtice Gordon, and Mr. Juſtice Murray, are returned from the Northern Circuit; and the Honourable Mr. Juſtice Savage, and Mr. Juſtice Coſslett, from the Southern Circuit; with the Gentlemen of the Law, and others, that attended the ſeveral Courts, all in good Health; greatly pleaſed with the Reception they every where met with, as well as with the good Conduct of the Inhabitants in general.——We have already mentioned what was done in Orangeburgh Diſtrict, and the following is an Account of what was done in the other Diſtricts, viz.

"At Camden, Seven Bills were given out, of which Six were found. Edward Walker and John Walker were convicted of Horſe-ſtealing, and ſentenced to receive Thirty-nine Laſhes each, and to have their right Ears cut off; but were both recommended to Mercy, one by the Jury, and the other by the Judges.

"At Cheraws, Seven Bills were given out, and Four found. Jacob Tilley, convicted of Horſe-ſtealing, was ſentenced to receive Thirty-nine Laſhes, and to have his right Ear cut off; Randall Johnſon, convicted of Larceny, was burnt in the Hand.

"At George-Town, Eleven Bills were given out, and Nine found, John Ward, John White, and John R. Robinſon, ſeverally convicted of Horſe-ſtealing, were ſentenced to receive Thirty-nine Laſhes each, and to have their right Ears cut off; James Martin, jun. convicted of Manſlaughter, was burnt in the Hand; Martha Brite, for receiving ſtolen Goods, was ſentenced to ſtand in the Pillory, and to be whipped; Daniel Gerkins, for the ſame Crime, the Principal convicted, was burnt in the Hand; Abraham Prior, for an Aſſault, was ſentenced to be impriſoned for one Month.

"At Ninety-ſix, Nineteen Bills were given out, and Sixteen of them found. Joſiah Tannaſee, Hugh Wilſon, John Price, and Robert Edwards, were convicted of Horſe-ſtealing; Price and Edwards pleaded Guilty; Hartley withdrew his Plea of Not Guilty, upon his Trial, and threw himſelf upon the Mercy of the Court; Tannaſee and Hartley, were ſentenced to receive Eleven Laſhes each, and to have their right Ears cut off; Wilſon, Price, and Edwards, were ſentenced to receive Thirty-nine Laſhes each, and to have their right Ears cut off. James Chaney tried on two Indictments for Horſe-ſtealing, was acquitted on both. Benjamin Nugent charged with counterfeiting the Twenty Pound Bills for the Exchange, was, by the Ignorance of a Country Magiſtrate, the Crime being capital, admitted to Bail, himſelf and four Sureties, bound in Two Hundred and Fifty Pounds Proclamation Money each, but fled notwithſtanding, on a Bill being found againſt him by the Grand Jury. It is obſerved, that the Magiſtrate had too good an Excuſe from the Want of a Compilation of the Laws. Nathaniel Gough, tried for ſtealing a Heifer, and William Smith for uttering Counterfeit Money, were both acquitted. A Perſon, convicted of an Aſſault, which appeared to be made upon an Officer in the Execution of his Office, was fined, and impriſoned for Twenty-four Hours.

"At Beaufort, Seven Bills were given out, and Five found. Iſrael Baxter, and Winifred Palmer, were convicted of receiving ſtolen Goods; Baxter was ſentenced to ſtand in the Pillory on [illegible]

the Second Friday in

[illegible]y, and February, Half [illegible], to receive at the ſame Time ten Laſhes; Palmer, to ſtand in the Pillory five Minutes on the ſecond Friday in December, and to receive two Laſhes; Edward Vangent was convicted of killing a Horſe; Thomas Clark tried for Horſe-ſtealing, was acquitted."

CHARLES CROUCH,

Has received in the last Vessels from LONDON,

A CONSIGNMENT

Of the several *ARTICLES* undermentioned, which may be had at his Printing-Office in Elliott-Street, on the most reasonable Terms, viz.

A FRESH PARCEL of Dr. KEYSER'S GENUINE PILLS,

With FULL DIRECTIONS for their Use in all CASES. Where may be seen, A NARRATIVE of the Effects of Dr. KEYSER'S MEDICINE, with an Account of its ANALYSIS, by the Members of the Royal Academy of Science.

Dr. NELSON'S ANTISCORBUTIC DROPS, which have been found by many Years Experience, to surpass all other Remedies hitherto discovered in the Cure of the Scurvy, Rheumatism, Yaws, Venereal Disease, Gleets and Seminal Weaknesses, Ulcers of all Kinds, &c.

ESSENCE of OIL of MINT. This is an excellent Remedy in Want of Appetite, reachings to vomit, and vomiting itself. It strengthens the almost Paralytic Weaknesses of the Stomach, and may be used either internally or externally; it is taken on a Lump of Sugar, from ten to twelve Drops.

Dr. RYAN'S Incomparable WORM-DESTROYING SUGAR PLUMBS.

Dr. HILL'S genuine TINCTURE of VALERIAN. This pleasant Cordial and enlivening Medicine, is good against all Nervous Disorders, Fits, Head-Achs, Weaknes, Heavines, and Lowness of Spirits, Dimness of the Sight, Vapours and Melancholy, all Kinds of Convulsions, and Hysteric Complaints, Epilepsies, as also against the Sickness of the Stomach, and Flatulencies, Obstructions, and the Convulsive Asthma, &c. The proper Use in all the above Cases, may be seen in the Directions given with each Bottle.

Dr. BOERHAAVE'S GRAND BALSAM of HEALTH. An admirable Remedy for the Dry Belly-Ach, Cholic, Griping in the Bowels, Pain in the Stomach; it cleanses the Stomach, and procures an Appetite.

ESSENCE of BALM of GILEAD, a grand Restorative of decayed Nature, good in all Seminal Weaknesses, Hypochondriacal and Nervous Disorders, with the Variety of Symptoms which indicate a weak and infirm Constitution.

Its cordial and balmy Quality, renders it also an agreeable palatable Liquor, and prodigiously refreshing in the sultry Heat of Summer; preventing those Sinkings which over-power the Spirits in hot Weather. The proper Use of this noble Medicine may be seen in the Directions.

STOMACHIC LOZENGES. They strengthen and fortify by their balsamic and nutritive Virtues, the tender Vessels of the Stomach, help Digestion, and promote Chylification; they melt in the Mouth like Sugar, are of a most agreeable taste, and fail not to correct the Breath, and the impure Exhalations of the Stomach.

Where also may be had,

JOYCE'S GREAT AMERICAN BALSAM, extracted from the best Medicinal Herbs, &c. for the Cure of the following Disorders, incident to human Nature; proved from Experience in New-York, Long-Island, and elsewhere, to equal, and rather exceed any Balsam, Essence, or Elixir, &c. exported from Europe here, for the several Disorders hereafter mentioned.

For common green or fresh Wounds, it heals at once or twice dressing, by closing the Lips of the Wound, and laying on the Wound a Pledgit of Lint dipt in the Balsam. In Nervous Wounds, where the Blood Vessels are divided, &c. it stops the Blood immediately, and heals by a few Applications. For the Cure of the most inveterate Ulcers, only wash them and keep them clean, using first if there be any proud Flesh, a common Caustick, to take the Excrescence away, then apply the Balsam on Lint. If the Ulcers should happen to be fistulous, inject by a Syringe, and after close the Orifice with a Pledgit dipt in the Balsam, and so repeat. There are Witnesses undeniable of the Balsam alone curing a Fistula in Ano, now present in New-York: The Author of this Balsam, (under God) will engage to cure a Fistula in Ano, even if the Rectum is perforated, without Incision, except as much by a Lancet to make Way for Injection, and no more. For the Cure of Colds, attended with violent Coughing, Pains in the Breast, Inflammation in the Throat and Glands, Difficulty of Breathing, being obstructed by tough viscid Phlegm; by taking a Tea Spoonful of the Balsam, mixed with Sugar or Honey, it quickly cures, taken twice a Day, Morning fasting, and at Night going to Bed. It is exceeding good in all Manner of Swellings; for violent Falls or inward Bruises, nothing is better, for it scatters coadgulated Blood, and stops Blood that might be occasioned by the inward Parts being hurt, or a Rexis of Vessels inwardly. In the Cure of Pleurisy, after Bleeding (where it is required) give a Tea Spoonful three Times a Day, in Sugar, and between Times now and then 20 or 30 Drops of spirituous Nitri dulcis, that is the sweet Spirits of Nitre.---It cures Consumptions in them that are not too far gone, except they pass the Age of Fifty, by taking of it inwardly three Times a Day, a full Tea Spoonful mixt with Sugar or Honey, each Dose. It strengthens the Nerves, and is good in all Nervous Disorders, by taking of it inwardly, and anointing the Parts outwardly, keeping warm.

THE AGUE TINCTURE.

The Patient must take a Table Spoonful of the ELIXIR, two Hours before the Approach of the Fit, and be immediatly put to Bed, and excited to sweat, by being very warmly covered. Every Half Hour repeat the Dose in the same Quantity, until he or she has taken Four; you are to observe the giving it with a little Sugar, to make it palatable, and let the last Dose be given just as the Fit comes on; this will infallibly perform the Cure.

RUN-AWAY from the subscriber's plantation, about the sixteenth of February last, a sensible, well-made, negro fellow, named GEORGE, about 30 years of age, 5 feet 9 inches high, he was lately the property of the estate of Mrs. Hemili, deceased, and is well known in Charles-Town, and Christ-Church parish.——— TWENTY POUNDS currency reward will be paid, and all reasonable charges, to any person that will deliver him to Mr. John Dawson, in Charles-Town, or to the subscriber at Dorchester; also a farther reward will be given to any one that will give information by whom he is harboured, if by a white person, *Fifty Pounds*, to be paid on conviction of the offender. Charles-Town, July 14, 1772.

THE Subſcriber is much obliged to his planting Friends, who, by landing their Crops at his Wharf for three Years paſt, have thereby introduced it to Buſineſs.---- He acted as Factor during that Time, purely to prevent his Friends being Sufferers by their intended Kindneſs to him, as it was very induſtriouſly inſinuated, that Rice would not ſell at his Wharf: But as he is now well convinced, and flatters himſelf all his Friends are fully ſo too, that their Crops landed in large or *ſmall* Parcels, will ſell altogether as well at his Wharf, as at any other in *Charles-Town*; and that any Gentlemen, principally concerned in the Factorage Way, will now have no Objection to receive and ſell Rice or Indico landed thereat: He therefore chooſes to decline that Buſineſs, finding it more than he is able to go through. He hopes his good Friends will ſtill land their Crops at his Wharf, where they may depend he ſhall take Care HIMSELF that their Boats have all poſſible Diſpatch.

As to the Safety and Conveniency of his Docks and Stores, he is ſure there are none preferable to them in Town in thoſe Reſpects, and few (if any) Barns in the Country are cooler and more ſecure from Fire; and 'tis almoſt impoſſible for a Barrel of Rice to be loſt or ſtolen in Landing or Shipping at his Wharf. Such Gentlemen as uſe his Wharf *conſtantly*, may depend on never wanting Storage whenever they do not like the going Price:----No prudent Planter but muſt be convinced, that this is a Matter of the utmoſt Conſequence to him, as many, for theſe three Years paſt, have had their Crops (when landed in Town) diſpoſed of very much againſt their own Inclinations and Judgments, merely for Want of Storage; and this he is ſure has been the Caſe, particularly this Year ſeveral Times, notwithſtanding the Shortneſs of the Crop.

Meſſrs. GIBBES & HORT,

Who have had long Experience in the FACTORAGE BUSINESS in all its Branches, and confine themſelves to that *only*, have taken the Charge of his Scales, and will tranſact their Buſineſs on his Wharf.---To theſe Gentlemen he begs Leave to recommend ſuch of his Friends who are not otherwiſe engaged.

Chriſtopher Gadſden.

N. B. Any Gentlemen in Trade may depend on not wanting STORAGE for ſuch Parcels of Rice as they purchaſe at his Wharf.

Three Hundred Pounds Reward.

A reward of *Three Hundred Pounds*, currency, will be paid on delivery of the negroes, or in proportion, if taken out of the province; and a further reward of *One Hundred Pounds*, will be given, to whoever will give information of their being carried out of the province, or being harboured by a white perſon, on a conviction of the offender.
